CORAL SPRINGS UNITED FUTBOL CLUB COMPETITIVE PLAYER AND PARENT CONTRACT 2018-19

Congratulations on being selected as a member of Coral Springs United (“CSU”). Our club and professional coaching staff look forward to providing you with a competitive training/playing environment that will challenge you to be the best that you can be both on and off the field. We want to ensure that you fully understand the goals of CSU and what the mutual expectations and obligations will be between you and CORAL SPRINGS UNITED FC (“The Club” or “CSU”). In addition to reading and signing this “Player and Parent Contract”, each club member is responsible for reading the “Club Policy Manual” which can be found on our website at www.coral springs united .com. This program overview will provide more details about the program goals, objectives, philosophy, player responsibilities and parent responsibilities.

The annual fee for membership in CSU is \$1,450 (U9 thru U10) and \$1,550 (U11 thru U19) for which (initial payment of \$300.00) is due prior to the beginning of the program year (June). This fee includes a complete uniform package, all player registration fees to any state or national association(s), local competitive league entry fees and referee fees for all league games for ONE league season, annual coaching/training fees, club training equipment, and administrative costs for the ten (10) month program. As a courtesy, the club offers a monthly payment plan for those members who would like to pay their annual program fee in installments. If you choose to take advantage of the plan, you agree to make payments to the club as follows:

- Registration payment of \$300.00 upon being selected for the program;
- Eight (8) monthly installments of \$143.75 for U9 thru U10 teams beginning on August 15th, 2018 and ending March 15th, 2019.
- Eight (8) monthly installments of \$156.25 for U11 thru U19 age groups, beginning on August 15th, 2018 and ending March 15th, 2019.

- A \$100.00 discount will be applied at time of registration if total registration fee is paid in full.
- Note: All monthly installments are due on the 15th of the month and are considered late if not received by the 25th of each month. Unless prior arrangements are made, a late fee of \$5.00 per week will apply. After the first late fee, your player(s) will be considered in "bad standing" and suspended from all game and tournament play, until payments are made. After the second consecutive late fee is assessed, your player will be suspended from all practices as well as game play, until such time as the Club Treasurer has received payment and the player(s) is fully up to date including all late fees. All payments must be made either by credit card, using the club's online registration system, setting up a recurring charge on your credit card or an automated payment from your bank account or through check delivered by hand to The Club Treasurer, such that it is received by the due date.

No payments are to be given to any member of the coaching staff.

Families with more than one player in the club will receive a \$100 discount per sibling for one player at full price.

By signing this agreement, you understand and agree that late payments may result in the player being suspended from all club activities unless and until payment is received in full. You further understand that failure to fulfill your financial obligations to the club may result in the player being placed "Not in Good Standing" with both the club and the governing youth soccer organizations (Florida Youth Soccer Association, US Club Soccer, etc.). This will result in the player's playing privileges being suspended and will impact the player's ability to register for any other program within the club and any other affiliated program in future years unless and until the obligations are satisfied in full. All charges and fees incurred in collection of this debt will be added to the delinquent account. There will also be a minimum* of a \$35 fee assessed for any checks returned for insufficient funds. (*Additional penalties will only be assessed if the banking institution charges above this amount.) The CLUB reserves the right any time it deems necessary to request full payment for a player due to repeated delinquencies, returned checks and/or cancelled or declined credit cards.

The undersigned parent and player agree to the following:

1. We agree to honor our commitment to play with the club for the entire program year (commencing August 1st). We understand that many of the club's annual expense and programming decisions are made and committed to at the beginning of each program year based on the number of players selected for the program. We understand that failing to pay the annual program fee in full and/or quitting the program at any time prior to the end of the seasonal year will have a detrimental effect on the program. Therefore, by registering for the program and signing (electronically or in person) this player and parent contract, we hereby agree to pay the annual program fee of \$1,450 (U9-U10) and \$1,550 (U11-U19) regardless of whether we later decide to abandon or no longer participate in the program for any reason prior to the end of the seasonal year except for a move out of state or a long term injury (see paragraph 12).

2. We understand that should a player wish to be released from the program and/or transferred to another club prior to the end of the program year for any reason except for a move out of state or a long term injury (see paragraph 12), the player/parent would be required to pay a \$300.00

release/transfer fee to CSU in addition to fulfilling all financial obligations noted above before any "Change of Player Status" would be processed by the club Registrar. All requests for withdrawal or release from the program must be made in writing to the Registrar, the President and The Director of Coaching and Soccer Operations for CSU.

3. We understand that the club will issue one (1) "ADIDAS uniform package" for each member of the program. The "uniform package" will consist of:

- 2 Adidas Uniform kits (2 game jerseys, 2 game shorts & 2 pairs of socks)
- 1 Pair of Adidas training shorts
- 2 Training Tops
- 1 Select Training Ball

4. We understand that each player is required to wear the official club training t-shirt to all club training sessions and events unless otherwise instructed by the coaching staff. We also understand that each player is required to bring their entire uniform package (both game jerseys, shorts, socks, and one training t-shirt) to every game they are assigned to participate in. We understand that the uniform package remains the property of the club until the end of the program year. Therefore, we agree to return the entire "ADIDAS uniform package" if we later decide to abandon and/or no longer participate in the program for any reason prior to the end of the seasonal year. However, upon successful completion of the program year, the uniform package becomes the property of the player.

5. We understand that the club will provide coaching and training throughout the program. We agree to attend all training sessions and games during the program year. It is anticipated that there will customarily be a minimum of two (2) training sessions during the program year and one league game per week during the season. A third training session may be added for some age groups at the discretion of the coaching staff. We understand that additional training opportunities may be offered from time to time such as specialized technique sessions, beach training sessions, "Soccer in the Streets" sessions, etc. We agree to arrive on time for all training sessions and at least forty-five (45) minutes prior to games dressed in specified uniform and ready to play. We agree that it is the player's responsibility to contact the club coaching staff PRIOR to missing a practice and/or game for any reason. Furthermore, we understand that missing training sessions and games may adversely affect playing time.

6. We understand that CSU is one of several clubs and options available within the area. We understand that the CSU program is designed for players who have a true passion for the game, a strong desire to learn, want high level professional coaching and instruction, are willing to work at improving their play, and are ready to learn what it means to compete in athletics. We also understand that CSU is a premier player development program and is not for everyone. There is NO guarantee of minimum playing time. Players will be expected to compete for their place daily based upon their performance in training/games and how they compare to other players. All the players in each age group will receive the same instruction and training topics from the coaching staff throughout the program year.

7. We understand that CSU will provide a competitive training/playing environment that will challenge each player to be the best that they can be both on and off the field. We also understand that the Club's coaching staff has the sole authority and responsibility for all player evaluations and decisions including which age group the player will train and/or play with, which players will play in which games, what position they will play, and for how long.

8. We understand that the Club coaching staff is constantly available to provide individual Club members with feedback regarding their own personal progress within the program and to highlight specific areas that need improvement. However, we also understand that under NO circumstances will the Club coaching staff entertain any discussion regarding the playing level and/or abilities of other Club members/players.

9. We understand and agree that in order for the Club coaching staff to properly manage the player's training and playing work load, the player will not be permitted to register and/or play soccer (including "guest play") with another program, club, or team, during the program year without receiving the expressed written consent of the Club's Director of Soccer Operations in advance. Failure to adhere to this Club policy may result in the player being suspended and/or released from the CSU without a refund of any kind. All decisions regarding "guest play" etc. will be made at the discretion of the Club's Director of Soccer Operations.

10. We understand that in addition to league and scrimmage games, the Club may enter certain teams in tournaments during the course of the year. We understand that the Club will provide us with the possible tournament dates as far in advance as possible. Additionally, we understand that if selected to represent the Club in a tournament, each selected player will share equally in all expenses associated with that particular tournament and that these tournament expenses are above and beyond the Club's annual registration fee noted above. These per player tournament fees will cover the costs of the tournament entry fee, referee fees, tournament coaching fee, and travel costs, if any, of the club coaching staff that has been assigned to coach at the (away) tournament. Once a player commits to a tournament team we understand that we are obligated to pay the tournament fee even if we withdraw from the team prior to the tournament. In the event that CLUB FEES are delinquent, the Club reserves the right to apply any monies collected for tournaments for that player to outstanding club fees.

11. Any unused age group/team funds shall remain on deposit with the Club in the age group/team account and move with that age group/team from year to year as they progress through the program as long as a minimum of 60% of the team returns. If less than 60% return all prior year's monies revert to Coral Springs United FC. All fundraising events must be approved by the CSU Director of Fundraising a minimum of 60 days prior to commencement of the event. Due to Internal Revenue Service regulations, money raised thru any fund-raising efforts cannot be applied to individual player registration fees. These monies can only be used for tournament fees and expenses, or to benefit the Club or individual team as a whole. Parents and players can solicit donations to help offset the player registration fee. Please contact the Director of Fundraising for information & forms.

12. We understand that if the player sustains an injury that prohibits him/her from participating in the program for a minimum of 10 weeks (i.e. suffers a long term injury), the following will apply: We agree to provide the Club with a doctor's note outlining the expected length of time the player will be unable to play. If the long term injury occurs PRIOR to December 31st, we will receive a pro-rated refund based on the actual amount of time that the player was unable to play provided we have paid the program's annual fee in full at registration OR if we are on the club's payment plan, our monthly payment obligation will be temporarily suspended until the player is cleared to play again by a doctor. If the long term injury occurs AFTER December 31st, we will receive a pro-rated credit based on the actual length of time that the player was unable to play regardless of whether we paid the program's annual fee in full at registration OR we are on the Club's monthly payment plan, which we will be required to continue

payments. We understand that this credit may be applied towards future tournament fees and/or next year's annual program fee for the player.

13. Due to the structure of local league play and the high school soccer season, we will conduct a "split season" program for our Under 16 and older age divisions. Local League games will begin in August and run through October. There will be a break in our program during the high school season and then training and games begin again in February thru the end of May.

If the coaching staff decides to enter the team in the SFU or FLUGSA (or another comparable) regular season (Nov- Feb) there will be an additional fee assessed to cover the player's pro-rata share of league fees, referee fees and additional expenses associated with said participation. Likewise for all teams in any age group; if participation in additional league play, beyond the traditional one season played in a specific age group is desired, there will be an additional fee assessed to cover the player's pro-rata share of league fees, referee fees and additional expenses associated with said participation.

14. We agree that at least one parent will attend the mandatory pre-season parent meeting to be held in September. Furthermore, we have read and agree to abide by the player and parent responsibilities as outlined here and in the "Coral Springs United CLUB POLICY MANUAL" (separate document).

15. We agree that Coral Springs United FC has the right to use photographs and videos of its registered players taken during club sanctioned practices, games and other events in CSU promotional materials, at the discretion of the club, now or in the future. CSU will demonstrate "good taste" should such material be used. We agree that usage of any such photographs or videos does NOT entitle the player(s) or parent/guardian to any compensation now or in the future.

16. We understand that the Coral Springs United FC, Board of Directors is made up of volunteers from within the Club as well as from the community at large. BOD meetings are held once per month and the date, time, and location of those meetings are posted on the website. Parents are always welcome to attend the first 15-20 minutes of any BOD meeting to discuss any and all Club matters. Please keep in mind however, that most if not all issues can be resolved by first going to your coach or age group director first, or working through the Director of Soccer Operations. If you are interested in serving on the BOD or assisting in anyway at all, please attend one of our meetings or contact a BOD member listed on our website. CSU needs all the support it can get for all of its members and their families to thrive. We understand that at least ONE MEMBER from each team in the Club is required to attend each regular BOD Meeting; this rotation will be determined at the coach's discretion. This time may also be counted as Club volunteer hours.

17. We understand that for each player registered to the Club; the player, parents, or guardians will be granted one VOTE at the ANNUAL GENERAL MEETING (AGM) held between February and April. The PLAYER MUST BE IN GOOD STANDING to be eligible to vote. Votes must be cast by either being present at the scheduled time of the AGM or via proxy. Your signature below acknowledges this policy and will also serve as your proxy, should you be unable to attend the AGM when scheduled.

As a Member of Coral Springs United Futbol Club, Inc. (hereinafter "CSUFC"), I hereby assign my voting rights pertaining to any matter that may be voted upon at any regular or special meeting of the Membership of CSUFC to _____ who, at his/her sole discretion, may further assign said voting rights to any Nominating or other Committee convened and formed by the CSUFC Board of Directors. I understand that I will be given Notice of any such Regular or Special Meetings of the Membership of CSUFC in accordance with the Corporate Bylaws, and that I may revoke

and/or replace this Proxy by subsequent granting and execution of a new proxy, or in person at any such official Meeting of the Membership. If no specific party is identified above, this proxy will be exercised in accordance with the majority vote of the then current Board of Directors of CSUFC.

18. Coral Springs United would like to create a culture in which our families can help each other wherever possible by giving patronage to the businesses owned by the parents or guardians of our players as well as those that sponsor our club. It is our intention to create and maintain a "CLUB BUSINESS DIRECTORY" to be part of our website. If you would like to be part of the Directory (at no charge), please complete the boxes on the registration or turn it in to the Club.

*CSU FC BOD has full discretion over the appropriateness of including any particular business in its directory, keeping in mind that this is a non-profit sports club FOR CHILDREN.
